sunday matinee

City swingers who want to hang out on a Sunday with little effort required should drop into the Odeon on Harcourt St where they'll find the Sunday Matinee, an innovation from Strictly Fish. From 1pm you can indulge in brunch or the traditional Irish fry and bury yourself in the Sunday papers, then from 6pm there will be classic movies screened on a purpose-built 12' x 12' screen. From 8.30pm til late, rare lounge grooves will be provided by DJ Joey Moran with smooth blended 70s soul and 80s dancefloor tunes.
