ALL OVER: Amazing Baby and friends at Strictly Handbag and (right) Carl Barat with Har Mar Superstar

## No more Handbags at Dawn

THE country's longest running weekly club night closed its doors for good on Monday after a marathon 14 YEARS. Strictly Handbag bid farewell with the DJ we would have playing at our own party — Phantom FM's lunchtime lady Sinead ni Mhorda — and the stars came out in force to Dublin's Spy.

Wishing the Handbag's Martin Thomas best of luck in his new weekend variations of the club were Amazing Baby and various members of MGMT, Mercury Rev, Dirty Pretty Things and Har Mar Superstar. There were tears and there were some dodgy karaoke sessions too.
